Pleasington Priory Stage 3 Building work.

Advanced warning that building works will commence 1st Aug. During the next 2 months a temporary pathway will be created to allow access to the Priory on a Sunday only. The area holding graves for ashes will not be accessible during August and September 2025. The only mass will be the Sunday mass. Please check the newsletter or website for updates. The temporary pathway might cause issues for people who have mobility issues as it will cut through the graveyard.

Hopefully, by the end of September normal access will begin again. Please be patient as these building works begins, take care when in The Priory grounds and kindly adhere to the Health and Safety Regulations. Updates will be available as soon as they are released.
